

CHB Group

Your Full Service Employee Benefits Agency

HR Professionals...

Are you looking for more innovative services from your insurance consultant? Do you need relief from the administrative burden with your employee benefits plan? Are you looking to outsource time consuming human resource functions?

WE CAN HELP WITHOUT INCREASING YOUR OVERALL COST!

Our services include, but are not limited to the following:

- Superior technology including online enrollment and terminations
- Access to a full library of Legislative updates including information on HealthCare Reform, FMLA, HIPAA, COBRA, as well as State Legislative updates
- Complete marketing of your coverages to every possible vendor
- Employee enrollment meetings for proper plan installation and understanding
- Customer service available during business hours in English and Spanish as well as 24/7 access to plan information on the web.
- COBRA Administration

Compare our services to those offered by your current consultant—we're confident that we can provide you with superior service along with affordable employee benefit programs
